

# GEAR UP THE GYM

## Wish List Catalog

**IT'S MORE THAN A GYM—  
IT'S A PLACE TO GROW.**

Explore our wishlist and help us fill this new space with the tools, equipment, and spirit that create a place where champions grow.

Dear CA Families, Friends, and Supporters,

We are thrilled to share a major milestone in Covington Academy's continued growth—the launch of our brand-new gym and multi-purpose facility!

This is more than just a building. It represents our commitment to nurturing strong minds, healthy bodies, and vibrant school spirit. It's a place where students will learn, perform, compete, gather, and grow—all under one roof.

When complete, this dynamic space will feature:

- A full-size gymnasium for athletics, PE classes, and school spirit events
- Our very own performance stage for theatre, chapel, and assemblies
- Additional classrooms to meet the needs of our growing student body
- A flexible event space for school functions and community gatherings
- A kitchen and concession area to support events and student life

To help bring this incredible facility to life, we've created a Giving Catalog that outlines the specific items needed—from sports equipment and classroom furnishings to kitchen items. Each item represents an opportunity for you to make a lasting impact.

Whether you choose to sponsor a teacher's chair for our growing classrooms or help fund performance or kitchen equipment, your generosity will help fill this space with the tools, resources, and heart that define the CA experience.

Thank you for being an essential part of our community and for supporting this exciting next step. Together, we're not just building a facility—we're building a future.

With gratitude,

*Amanda McCullough*  
Principal  
Covington Academy
